

HY1000.100	Ram (Non phasing for drills with bolt together frame (each)
HY1000.200	Hydraulic Equaliser Valve Assembly (Bolted drill frame)
HY1000.210	Hydraulic Equaliser Valve Bleed Valve (Bolted drill frame)
HY1000.220	Hydraulic Equaliser Control Valve Insert (Bolted drill frame)
HY1000.300	Ram Spacer Blocks for Drills with Bolt Together Frames (Set of 4)
HY2000.000	Phasing Ram Complete Upgrade Kit (Exchange with old parts NZ ONLY)
HY2000.050	Phasing Ram Complete Kit from Equaliser Valve System
HY2000.100	Phasing Rams (Pair for drills with fully welded frame)
HY2000.120	Phasing Ram RH 101mm (Viewed from rear for drills with fully welded frame)
HY2000.140	Phasing Ram LH 88mm (Viewed from rear for drills with fully welded frame)
HY2000.200	Phasing Ram Complete Hose Kit. (For drills with fully welded frame)
HY2000.220	Phasing Ram LH Hose. (For drills with fully welded frame)
HY2000.240	Phasing Ram RH Hose. (For drills with fully welded frame)
HY2000.260	Phasing Ram to Ram Centre Hose. (For drills with fully welded frame)
HY2000.280	Phasing Ram Tap. (For drills with fully welded frame)
HY2000.310	Ram Spacer Block for Phasing Rams 10mm
HY2000.320	Ram Spacer Block for Phasing Rams 15mm
HY2000.330	Ram Spacer Block for Phasing Rams 20mm
HY2000.340	Ram Spacer Block for Phasing Rams 25mm
HY2000.350	Ram Spacer Block for Phasing Rams 32mm
HY2000.360	Ram Spacer Block for Phasing Rams 40mm
HY3000.	Part number series reserved for Hydraulics for Air Seeders
HY4000.	Part number series reserved for Hydraulics for Cultivators
HY5000.	Part number series reserved for Hydraulics for Tyre Rollers
HY6000.	Part number series reserved for Hydraulics for Post Drivers
